

## PURPOSE & GOALS

### PURPOSE

SHETA is a professional association providing leadership and advocacy to strengthen, enrich, and promote quality home economics education in Saskatchewan. Through engagement in professional communication and consultation with the Saskatchewan Teachers' Federation, Ministry of Education, and post-secondary institutions, we strive to encourage the development of skills for life at all levels of the educational system.

### GOALS

#### **Support Home Economics education in Saskatchewan.**

- Offer resource development and sharing (ex., Resource page on website)
- Provide professional learning opportunities (ex., Conference & mini-conference)
- Maintain communication with members (ex., Social media & quarterly newsletter)

#### **Promote Home Economics education in Saskatchewan.**

- Maintain an active social media presence.
- Maintain a comprehensive website.
- Connect with school divisions across the province to ensure information about SHETA is being shared with all teachers

#### **Work collaboratively with partners who have a vested interest in Home Economics education in Saskatchewan.**

- Saskatchewan Teachers' Federation (re. PGN)
- Ministry of Education (re. curriculum renewal and resource development)
- Post-Secondary Institutions (re. PAA programming at post-secondary level)
- Other professional organizations (ex. ASHE, CHEF, THESA, etc.)
